Kazuki Yoshida made good progress in conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation, good degree of fluency / expressing opinions on a variety of subjects with a good degree of fluency

### Comments on student's attitude regarding learning:

Throughout the course Kazuki Yoshida worked very hard to complete the tasks assigned. Regarding the course homework Kazuki Yoshida finished all tasks and homework on time with excellence. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Kazuki Yoshida was a very enthusiastic and avid learner -- a real pleasure to teach

### Recommendations and next steps:

Some areas that still need improvement are fluency, grammatical accuracy, vocabulary building, speaking and listening skills, business skills. I would therefore recommend that Kazuki Yoshida continues studying and practicing the new skills we covered. I also suggest that Kazuki Yoshida keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
