## Comments and recommendations:

### Comments on language progression and skills:

DARIO NOVIRO made good progress in confidence in speaking and listening and comprehension, writing skills, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation, business skills, using a wider range of business expressions while practising business skills

### Comments on student's attitude regarding learning:

Throughout the course DARIO NOVIRO made positive efforts to integrate the target language and concepts into the conversation, always did more than requested and gave every lesson the best at all times, treated learning very seriously, always prepared well for class, worked very hard to complete the tasks assigned

### Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation, fluency, conversational skills, speaking and listening skills, writing skills, business skills. I would therefore recommend that DARIO NOVIRO continue the course with the next level. I also suggest that DARIO NOVIRO listens to (language) as much as possible in the form of Dvds, TV, podcasts...
