## Comments and recommendations:

### Comments on language progression and skills:

FINFJ122014 made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation, good degree of fluency / expressing opinions on a variety of subjects with a good degree of fluency

### Comments on student's attitude regarding learning:

Throughout the course FINFJ122014 made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework FINFJ122014 no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall FINFJ122014 always showed a positive attitude towards learning, this has been the case throughout the course

### Recommendations and next steps:

Some areas that still need improvement are grammatical accuracy, vocabulary building, conversational skills. I would therefore recommend that FINFJ122014 would benefit from further practise with a native teacher. I also suggest that FINFJ122014 listens to (language) as much as possible in the form of Dvds, TV, podcasts...
