## Comments and recommendations:

### Comments on language progression and skills:

Hisako Nakamura made good progress in business skills, using a wider range of business expressions while practising business skills, accuracy in using more complex grammar structures for business situations

### Comments on student's attitude regarding learning:

Throughout the course Hisako Nakamura made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Hisako Nakamura no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Hisako Nakamura was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

### Recommendations and next steps:

Some areas that still need improvement are grammatical accuracy, business skills. I would therefore recommend that Hisako Nakamura continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Hisako Nakamura continues being exposed to (language) outside the class as much as possible
