Comments and recommendations:

Comments on language progression and skills:

Monika Cernikova made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation

Comments on student's attitude regarding learning:

Throughout the course Monika Cernikova always prepared well for class. Regarding the course homework Monika Cernikova worked hard and always made the assigned homework. Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Monika Cernikova eager to learn

Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation. I would therefore recommend that Monika Cernikova would benefit from further practise with a native teacher. I also suggest that Monika Cernikova listens to (language) as much as possible in the form of Dvds, TV, podcasts...
