Comments and recommendations:

Comments on language progression and skills:

Siro Corna made good progress in pronunciation, word stressing and intonation, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, confidence in speaking and listening and comprehension, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, awareness of cultural issues

Comments on student's attitude regarding learning:

Throughout the course Siro Corna made positive efforts to integrate the target language and concepts into the conversation. Interaction and participation has been a very active student and showed great determination to learn throughout the course

Recommendations and next steps:

Some areas that still need improvement are grammatical accuracy, speaking and listening skills, fluency, vocabulary building. I would therefore recommend that Siro Corna continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Siro Corna reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
