## Comments and recommendations:

### Comments on language progression and skills:

Rui Fang made good progress in accuracy in using more complex grammar structures for business situations, conversational skills, confidence in speaking and listening and comprehension, pronunciation, word stressing and intonation, awareness of cultural issues

### Comments on student's attitude regarding learning:

Regarding the course homework Rui Fang worked hard and always made the assigned homework. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Rui Fang is a very enthusiastic student

### Recommendations and next steps:

Some areas that still need improvement are vocabulary building, fluency, pronunciation and intonation. I would therefore recommend that Rui Fang continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement
