Comments and recommendations:

Comments on language progression and skills:

Attilio Abbrugiati made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation, awareness of cultural issues

Comments on student's attitude regarding learning:

Throughout the course Attilio Abbrugiati worked very hard to complete the tasks assigned, treated learning very seriously, always did more than requested and gave every lesson the best at all times, made positive efforts to integrate the target language and concepts into the conversation

Recommendations and next steps:

Some areas that still need improvement are vocabulary building, fluency, grammatical accuracy. I would therefore recommend that Attilio Abbrugiati would benefit from further practise with a native teacher. I also suggest that Attilio Abbrugiati continues being exposed to (language) outside the class as much as possible
