## Comments and recommendations:

### Comments on language progression and skills:

Massimiliano Novi made good progress in establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, conversational skills

### Comments on student's attitude regarding learning:

Throughout the course Massimiliano Novi treated learning very seriously

### Recommendations and next steps:

Some areas that still need improvement are vocabulary building, fluency. I would therefore recommend that Massimiliano Novi continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Massimiliano Novi keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
