Comments and recommendations:

Comments on language progression and skills:

Andrej Logunov made good progress in vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation, conversational skills

Comments on student's attitude regarding learning:

Throughout the course Andrej Logunov always prepared well for class, treated learning very seriously, always did more than requested and gave every lesson the best at all times

Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation, fluency. I would therefore recommend that Andrej Logunov continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Andrej Logunov reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
