Comments on student's attitude regarding learning:

Throughout the course Alessandro RIGHETTI always prepared well for class, made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously

Recommendations and next steps:

Some areas that still need improvement are grammatical accuracy, vocabulary building, conversational skills, speaking and listening skills, pronunciation and intonation, fluency. I would therefore recommend that Alessandro RIGHETTI continues studying and practicing the new skills we covered. I also suggest that Alessandro RIGHETTI continues being exposed to (language) outside the class as much as possible
