Comments and recommendations:

Comments on language progression and skills:

Alessandro Zuri made good progress in confidence in speaking and listening and comprehension, pronunciation, word stressing and intonation, conversational skills

Comments on student's attitude regarding learning:

Throughout the course Alessandro Zuri always prepared well for class, treated learning very seriously. Regarding the course homework Alessandro Zuri no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Alessandro Zuri always showed a positive attitude towards learning, this has been the case throughout the course

Recommendations and next steps:

Some areas that still need improvement are speaking and listening skills, fluency. I would therefore recommend that Alessandro Zuri continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Alessandro Zuri listens to (language) as much as possible in the form of Dvds, TV, podcasts...
