## Comments and recommendations:

### Comments on language progression and skills:

Sho Sawada made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, accuracy in using more complex grammar structures for business situations

### Comments on student's attitude regarding learning:

Throughout the course Sho Sawada made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously. Regarding the course homework Sho Sawada no real homework was assigned for this course. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Sho Sawada was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

### Recommendations and next steps:

Some areas that still need improvement are vocabulary building, speaking and listening skills, grammatical accuracy, fluency. I would therefore recommend that Sho Sawada continue the course with the next level. I also suggest that Sho Sawada listens to (language) as much as possible in the form of Dvds, TV, podcasts...
