## Comments and recommendations:

### Comments on language progression and skills:

Takafumi Kino made good progress in confidence in speaking and listening and comprehension, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation, accuracy in using more complex grammar structures for business situations, good degree of fluency / expressing opinions on a variety of subjects with a good degree of fluency

### Comments on student's attitude regarding learning:

Throughout the course Takafumi Kino treated learning very seriously, always prepared well for class, always did more than requested and gave every lesson the best at all times, made positive efforts to integrate the target language and concepts into the conversation, worked very hard to complete the tasks assigned. Regarding the course homework Takafumi Kino finished all tasks and homework on time with excellence. Overall Takafumi Kino was a very enthusiastic and avid learner -- a real pleasure to teach

### Recommendations and next steps:

Some areas that still need improvement are fluency, pronunciation and intonation, speaking and listening skills, business skills, conversational skills, vocabulary building. I would therefore recommend that Takafumi Kino continue the course with the next level. I also suggest that Takafumi Kino listens to (language) as much as possible in the form of Dvds, TV, podcasts...
