### Comments on student's attitude regarding learning:

Throughout the course Takeshi Shimada always did more than requested and gave every lesson the best at all times. Regarding the course homework Takeshi Shimada no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. . Overall Takeshi Shimada always showed a positive attitude towards learning, this has been the case throughout the course

### Recommendations and next steps:

Some areas that still need improvement are , fluency, pronunciation and intonation. I would therefore recommend that Takeshi Shimada continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Takeshi Shimada keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
