Comments and recommendations:

Comments on language progression and skills:

Kristian Mattei made good progress in pronunciation, word stressing and intonation, confidence in speaking and listening and comprehension, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, conversational skills, awareness of cultural issues, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar

Comments on student's attitude regarding learning:

Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Kristian Mattei was a very enthusiastic and avid learner -- a real pleasure to teach

Recommendations and next steps:

I would therefore recommend that Kristian Mattei continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. Some areas that still need improvement are fluency, conversational skills, speaking and listening skills. I also suggest that Kristian Mattei reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
