Comments and recommendations:

Comments on language progression and skills:

Sara Berto made good progress in business skills, using a wider range of business expressions while practising business skills, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation, accuracy in using more complex grammar structures for business situations, awareness of cultural issues

Comments on student's attitude regarding learning:

Throughout the course Sara Berto always did more than requested and gave every lesson the best at all times, worked very hard to complete the tasks assigned, made positive efforts to integrate the target language and concepts into the conversation

Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation, grammatical accuracy, business skills. . I would therefore recommend that Sara Berto continues studying and practicing the new skills we covered. I also suggest that Sara Berto keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
