### Comments on student's attitude regarding learning:

Throughout the course Ryo Nakawaki made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Ryo Nakawaki no real homework was assigned for this course. Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Ryo Nakawaki eager to learn

### Recommendations and next steps:

Some areas that still need improvement are vocabulary building. I would therefore recommend that Ryo Nakawaki would benefit from further practise with a native teacher. I also suggest that Ryo Nakawaki reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
