### Comments on language progression and skills:

Matteo Locci made good progress in awareness of cultural issues, business skills, using a wider range of business expressions while practising business skills, pronunciation, word stressing and intonation, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, conversational skills

### Comments on student's attitude regarding learning:

Throughout the course Matteo Locci made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Matteo Locci made homework only from time to time. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Matteo Locci always arrived online perfectly on time

### Recommendations and next steps:

Some areas that still need improvement are vocabulary building, grammatical accuracy, business skills, speaking and listening skills, pronunciation and intonation, fluency, conversational skills, writing skills. .
