### Comments on student's attitude regarding learning:

Overall Cristiano Pescarini was a very enthusiastic and avid learner -- a real pleasure to teach. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Regarding the course homework Cristiano Pescarini made homework only from time to time Throughout the course Cristiano Pescarini worked very hard to complete the tasks assigned, made positive efforts to integrate the target language and concepts into the conversation

### Recommendations and next steps:

Some areas that still need improvement are fluency, business skills, speaking and listening skills, pronunciation and intonation. I would therefore recommend that Cristiano Pescarini continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Cristiano Pescarini keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
