Comments on student's attitude regarding learning:

Throughout the course julien houet made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework julien houet no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall julien houet was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

Recommendations and next steps:

Some areas that still need improvement are grammatical accuracy, fluency. I would therefore recommend that julien houet continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that julien houet continues practicing outside of class, with friends and colleagues
