## Comments and recommendations:

### Comments on language progression and skills:

Sangyoung Lee made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, good degree of fluency / expressing opinions on a variety of subjects with a good degree of fluency

### Comments on student's attitude regarding learning:

Throughout the course Sangyoung Lee always did more than requested and gave every lesson the best at all times, treated learning very seriously, always prepared well for class, worked very hard to complete the tasks assigned, made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Sangyoung Lee finished all tasks and homework on time with excellence. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Sangyoung Lee learned very quickly and has a strong aptitude for language learning

### Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation, fluency, grammatical accuracy, speaking and listening skills, vocabulary building. I would therefore recommend that Sangyoung Lee continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Sangyoung Lee continues being exposed to (language) outside the class as much as possible
