Comments and recommendations:

Comments on language progression and skills:

Francisco Javier Reyes made good progress in pronunciation, word stressing and intonation, business skills, using a wider range of business expressions while practising business skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, conversational skills, writing skills

Comments on student's attitude regarding learning:

Throughout the course Francisco Javier Reyes worked very hard to complete the tasks assigned, made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Francisco Javier Reyes is a very pleasant student and was a real delight to teach

Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation, grammatical accuracy, conversational skills, vocabulary building, writing skills, business skills. I also suggest that Francisco Javier Reyes continues being exposed to (language) outside the class as much as possible
