## Comments and recommendations:

### Comments on language progression and skills:

Stefano Totaro made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation, business skills, using a wider range of business expressions while practising business skills, good degree of fluency / expressing opinions on a variety of subjects with a good degree of fluency

### Comments on student's attitude regarding learning:

Throughout the course Stefano Totaro made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously, always prepared well for class

### Recommendations and next steps:

Some areas that still need improvement are speaking and listening skills, writing skills, grammatical accuracy, business skills, pronunciation and intonation, vocabulary building. I would therefore recommend that Stefano Totaro continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Stefano Totaro continues being exposed to (language) outside the class as much as possible
