## Comments and recommendations:

### Comments on language progression and skills:

Giulia Barbiera made good progress in conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation

### Comments on student's attitude regarding learning:

Throughout the course Giulia Barbiera made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Giulia Barbiera worked hard and always made the assigned homework. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Giulia Barbiera is a very pleasant student and was a real delight to teach

### Recommendations and next steps:

Some areas that still need improvement are grammatical accuracy, fluency, conversational skills, speaking and listening skills. I would therefore recommend that Giulia Barbiera continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Giulia Barbiera listens to (language) as much as possible in the form of Dvds, TV, podcasts...
