**Comments on student's attitude regarding learning:**

Throughout the course Albert REN always did more than requested and gave every lesson the best at all times, always prepared well for class, made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously, worked very hard to complete the tasks assigned. Regarding the course homework Albert REN no real homework was assigned for this course. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Albert REN was a very enthusiastic and avid learner -- a real pleasure to teach

**Recommendations and next steps:**

Some areas that still need improvement are pronunciation and intonation, writing skills, speaking and listening skills. I would therefore recommend that Albert REN continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement
