Comments and recommendations:

Comments on language progression and skills:

Denis Voeroes made good progress in vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, accuracy in using more complex grammar structures for business situations

Comments on student's attitude regarding learning:

Regarding the course homework Denis Voeroes made homework only from time to time. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Denis Voeroes was a very enthusiastic and avid learner -- a real pleasure to teach

Recommendations and next steps:

Some areas that still need improvement are grammatical accuracy, vocabulary building. I would therefore recommend that Denis Voeroes continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Denis Voeroes reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
