Pierfrancesco Fineschi made good progress in confidence in speaking and listening and comprehension, conversational skills, expressing with high level of self confidence

Comments on student's attitude regarding learning:

Throughout the course Pierfrancesco Fineschi treated learning very seriously, made positive efforts to integrate the target language and concepts into the conversation, always prepared well for class, worked very hard to complete the tasks assigned, always did more than requested and gave every lesson the best at all times. Regarding the course homework Pierfrancesco Fineschi no real homework was assigned for this course. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning

Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation, conversational skills, speaking and listening skills, vocabulary building. I would therefore recommend that Pierfrancesco Fineschi continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. . . I also suggest that Pierfrancesco Fineschi continues being exposed to (language) outside the class as much as possible
