Comments on student's attitude regarding learning:

Throughout the course Peter Reynolds always did more than requested and gave every lesson the best at all times, treated learning very seriously, worked very hard to complete the tasks assigned, always prepared well for class, made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Peter Reynolds finished all tasks and homework on time with excellence. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Peter Reynolds was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

Recommendations and next steps:

Some areas that still need improvement are vocabulary building, conversational skills, speaking and listening skills, fluency. I would therefore recommend that Peter Reynolds continue the course with the next level. I also suggest that Peter Reynolds continues being exposed to (language) outside the class as much as possible
