Comments and recommendations:

Comments on language progression and skills:

Stefano Marzola made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar

Comments on student's attitude regarding learning:

Throughout the course Stefano Marzola made positive efforts to integrate the target language and concepts into the conversation, worked very hard to complete the tasks assigned. Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Stefano Marzola is a very pleasant student and was a real delight to teach

Recommendations and next steps:

Some areas that still need improvement are vocabulary building, grammatical accuracy, speaking and listening skills. I would therefore recommend that Stefano Marzola continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Stefano Marzola continues being exposed to (language) outside the class as much as possible
