Comments and recommendations:

Comments on language progression and skills:

Seiya Ishii made good progress in confidence in speaking and listening and comprehension, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, business skills, using a wider range of business expressions while practising business skills, accuracy in using more complex grammar structures for business situations, awareness of cultural issues

Comments on student's attitude regarding learning:

Throughout the course Seiya Ishii made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously. Regarding the course homework Seiya Ishii made homework only from time to time

Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation, conversational skills, vocabulary building. I would therefore recommend that Seiya Ishii would benefit from further practise with a native teacher. I also suggest that Seiya Ishii keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
