Comments on student's attitude regarding learning:

Throughout the course Karen Kumakura treated learning very seriously, made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Karen Kumakura no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Karen Kumakura was an exemplary student, disciplined and dedicated to the task on hand

Recommendations and next steps:

Some areas that still need improvement are fluency, conversational skills. I would therefore recommend that Karen Kumakura would benefit from further practise with a native teacher. I also suggest that Karen Kumakura continues being exposed to (language) outside the class as much as possible
