Comments and recommendations:

Comments on language progression and skills:

Yumi Asaga made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation, business skills, using a wider range of business expressions while practising business skills, accuracy in using more complex grammar structures for business situations

Comments on student's attitude regarding learning:

Throughout the course Yumi Asaga always did more than requested and gave every lesson the best at all times, worked very hard to complete the tasks assigned, treated learning very seriously. Regarding the course homework Yumi Asaga no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Yumi Asaga was always excited to learn something new in every had lesson

Recommendations and next steps:

Some areas that still need improvement are business skills. I would therefore recommend that Yumi Asaga continues studying and practicing the new skills we covered. I also suggest that Yumi Asaga continues practicing outside of class, with friends and colleagues
