**Monthly overviews:**

**Comments and recommendations:**

**Comments on language progression and skills:**

Souta Kiyoshi made good progress in confidence in speaking and listening and comprehension, conversational skills, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, good degree of fluency / expressing opinions on a variety of subjects with a good degree of fluency

**Comments on student's attitude regarding learning:**

Throughout the course Souta Kiyoshi always prepared well for class, made positive efforts to integrate the target language and concepts into the conversation. Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Souta Kiyoshi was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

**Recommendations and next steps:**

Some areas that still need improvement are speaking and listening skills, fluency, conversational skills, vocabulary building. I would therefore recommend that Souta Kiyoshi continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Souta Kiyoshi continues being exposed to (language) outside the class as much as possible
