Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Badr Choufari learned very quickly and has a strong aptitude for language learning

Recommendations and next steps:

Some areas that still need improvement are writing skills, business skills, grammatical accuracy, speaking and listening skills. I would therefore recommend that Badr Choufari continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Badr Choufari keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
