Comments and recommendations:

Comments on language progression and skills:

Hiroto Fujita made good progress in confidence in speaking and listening and comprehension, conversational skills, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, vocabulary building / more sophisticated vocabulary / more extensive vocabulary

Comments on student's attitude regarding learning:

Throughout the course Hiroto Fujita made positive efforts to integrate the target language and concepts into the conversation, always did more than requested and gave every lesson the best at all times, always prepared well for class, treated learning very seriously. Regarding the course homework Hiroto Fujita finished all tasks and homework on time with excellence. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Hiroto Fujita was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

Recommendations and next steps:

Some areas that still need improvement are fluency, vocabulary building, pronunciation and intonation, conversational skills. I would therefore recommend that Hiroto Fujita continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Hiroto Fujita continues being exposed to (language) outside the class as much as possible
