Throughout the course Colin Low worked very hard to complete the tasks assigned, treated learning very seriously, always prepared well for class, made positive efforts to integrate the target language and concepts into the conversation, always did more than requested and gave every lesson the best at all times. Regarding the course homework Colin Low no real homework was assigned for this course. . . Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Colin Low always showed a positive attitude towards learning, this has been the case throughout the course

**Recommendations and next steps:**

Some areas that still need improvement are vocabulary building, business skills. I would therefore recommend that Colin Low would benefit from further practise with a native teacher
