**Comments on student's attitude regarding learning:**

Throughout the course Tatiana Oshust always prepared well for class, made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously. Regarding the course homework Tatiana Oshust no real homework was assigned for this course. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning

**Recommendations and next steps:**

Some areas that still need improvement are writing skills, vocabulary building, pronunciation and intonation, grammatical accuracy. I would therefore recommend that Tatiana Oshust continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Tatiana Oshust reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
