**Comments and recommendations:**

**Comments on language progression and skills:**

Gianpaolo Romano made good progress in conversational skills, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation

**Comments on student's attitude regarding learning:**

Throughout the course Gianpaolo Romano made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Gianpaolo Romano always showed a positive attitude towards learning, this has been the case throughout the course. Regarding the course homework Gianpaolo Romano no real homework was assigned for this course

**Recommendations and next steps:**

Some areas that still need improvement are vocabulary building, speaking and listening skills, grammatical accuracy. I would therefore recommend that Gianpaolo Romano continues studying and practicing the new skills we covered. I also suggest that Gianpaolo Romano reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
