**Comments on language progression and skills:**

Tatsuro Takahashi made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, business skills, using a wider range of business expressions while practising business skills

**Comments on student's attitude regarding learning:**

Throughout the course Tatsuro Takahashi treated learning very seriously, made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Tatsuro Takahashi no real homework was assigned for this course. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Tatsuro Takahashi was an exemplary student, disciplined and dedicated to the task on hand

**Recommendations and next steps:**

Some areas that still need improvement are fluency, vocabulary building. I would therefore recommend that Tatsuro Takahashi would benefit from further practise with a native teacher. I also suggest that Tatsuro Takahashi continues being exposed to (language) outside the class as much as possible
