Sandi Briner made good progress in , vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation, accuracy in using more complex grammar structures for business situations, awareness of cultural issues, expressing with high level of self confidence

Comments on student's attitude regarding learning:

Throughout the course Sandi Briner treated learning very seriously, made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Sandi Briner no real homework was assigned for this course. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Sandi Briner was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

Recommendations and next steps:

Some areas that still need improvement are conversational skills, fluency, vocabulary building, grammatical accuracy, pronunciation and intonation. I would therefore recommend that Sandi Briner continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Sandi Briner continues being exposed to (language) outside the class as much as possible
