**Comments and recommendations:**

**Comments on language progression and skills:**

Claudio COPPA made good progress in confidence in speaking and listening and comprehension, writing skills, conversational skills, pronunciation, word stressing and intonation

**Comments on student's attitude regarding learning:**

Throughout the course Claudio COPPA worked very hard to complete the tasks assigned, treated learning very seriously. Regarding the course homework Claudio COPPA finished all tasks and homework on time with excellence. Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Claudio COPPA was a very enthusiastic and avid learner -- a real pleasure to teach

**Recommendations and next steps:**

Some areas that still need improvement are fluency, writing skills, pronunciation and intonation, business skills, vocabulary building, conversational skills, grammatical accuracy, speaking and listening skills. I would therefore recommend that Claudio COPPA continue the course with the next level. I also suggest that Claudio COPPA listens to (language) as much as possible in the form of Dvds, TV, podcasts...
