Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Folkert Postma is a very pleasant student and was a real delight to teach

**Recommendations and next steps:**

Some areas that still need improvement are business skills. I would therefore recommend that Folkert Postma would benefit from further practise with a native teacher. . I also suggest that Folkert Postma reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
