**Monthly overviews:**

**Comments and recommendations:**

**Comments on language progression and skills:**

Masanori Namatame made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation, good degree of fluency / expressing opinions on a variety of subjects with a good degree of fluency

**Comments on student's attitude regarding learning:**

Throughout the course Masanori Namatame always did more than requested and gave every lesson the best at all times, always prepared well for class, worked very hard to complete the tasks assigned, made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously

**Recommendations and next steps:**

Some areas that still need improvement are conversational skills, grammatical accuracy, speaking and listening skills, vocabulary building, fluency, pronunciation and intonation. I would therefore recommend that Masanori Namatame continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Masanori Namatame keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
