**Comments and recommendations:**

**Comments on language progression and skills:**

Esra Ozatakul made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation, business skills, using a wider range of business expressions while practising business skills, awareness of cultural issues

**Comments on student's attitude regarding learning:**

Throughout the course Esra Ozatakul made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously. Regarding the course homework Esra Ozatakul worked hard and always made the assigned homework. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Esra Ozatakul always showed a positive attitude towards learning, this has been the case throughout the course

**Recommendations and next steps:**

Some areas that still need improvement are vocabulary building, grammatical accuracy, fluency. I would therefore recommend that Esra Ozatakul would benefit from further practise with a native teacher. I also suggest that Esra Ozatakul continues being exposed to (language) outside the class as much as possible
