Regarding the course homework Frederic Van Driessche finished all tasks and homework on time with excellence. Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Frederic Van Driessche is a very enthusiastic student

Recommendations and next steps:

Some areas that still need improvement are writing skills, pronunciation and intonation. I would therefore recommend that Frederic Van Driessche would benefit from further practise with a native teacher. I also suggest that Frederic Van Driessche reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
