**Comments on student's attitude regarding learning:**

Throughout the course Anda Costanta Munteanu made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Anda Costanta Munteanu no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Anda Costanta Munteanu is positive, productive and participative attitude

**Recommendations and next steps:**

Some areas that still need improvement are speaking and listening skills, fluency, conversational skills, vocabulary building, grammatical accuracy. I would therefore recommend that Anda Costanta Munteanu would benefit from further practise with a native teacher. I also suggest that Anda Costanta Munteanu continues being exposed to (language) outside the class as much as possible
