Comments on student's attitude regarding learning:

Throughout the course Yasuto Obuchi treated learning very seriously. Regarding the course homework Yasuto Obuchi no real homework was assigned for this course. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Yasuto Obuchi was a very enthusiastic and avid learner -- a real pleasure to teach

Recommendations and next steps:

Some areas that still need improvement are conversational skills, business skills, vocabulary building, fluency, grammatical accuracy. I would therefore recommend that Yasuto Obuchi would benefit from further practise with a native teacher. I also suggest that Yasuto Obuchi continues being exposed to (language) outside the class as much as possible
