Comments and recommendations:

Comments on language progression and skills:

Yuta Saito made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation

Comments on student's attitude regarding learning:

Throughout the course Yuta Saito treated learning very seriously. Regarding the course homework Yuta Saito no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Yuta Saito eager to learn

Recommendations and next steps:

Some areas that still need improvement are fluency. I would therefore recommend that Yuta Saito continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Yuta Saito keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
