**Comments and recommendations:**

**Comments on language progression and skills:**

Salvatore Tarantini made good progress in establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar

**Comments on student's attitude regarding learning:**

Throughout the course Salvatore Tarantini treated learning very seriously. Regarding the course homework Salvatore Tarantini no real homework was assigned for this course. Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Salvatore Tarantini is a very pleasant student and was a real delight to teach

**Recommendations and next steps:**

Some areas that still need improvement are grammatical accuracy, conversational skills, pronunciation and intonation, fluency, speaking and listening skills. I would therefore recommend that Salvatore Tarantini would benefit from further practise with a native teacher. I also suggest that Salvatore Tarantini keep learning on a daily basis to accumulate knowledge and practice whenever there is a chance
